THD008EU | Targus Click-In™ Case for The New iPad®

Click-In cases offer all round protection for your iPad. A hard shell cover clicks securely to the back of your iPad to provide protection to the back and sides, whilst a durable front cover with soft interior lining protects your iPad screen. Magnetic closure on the front cover immediately wakes up your iPad and then shuts it down after use.

The front cover folds back to form a hands free stand for easy viewing and comfortable typing. Click-In cases also ensure that you are able to access to all ports, features and functions of your iPad whilst it is still inside the case. The ultra slim design is lightweight and easy to carry.

- Front and back snap-on protection for your iPad
- Front cover with magnetic closure to turn iPad on and off
- Hard shell back cover which securely clicks onto your iPad to provide protection to the back and sides
- Durable front cover with soft interior lining protects your iPad screen
- Transforms into a stand to use your iPad hands free and provides a comfortable typing angle
- Access all your iPad features and functions while inside the case
- Ultra slim and lightweight for complete portability
